Dear colleagues,

Good morning, everyone.

I hope you are doing well.

As many of you have already heard in the news this morning, the possibility of lockdown is imminent. We will know more in the next 48 hours.

We are aware of the issues and questions regarding your practice in the event of a lockdown. As we have done since the beginning of this pandemic, we will continue to inform you as soon as we have gathered the answers and the relevant information.

I take this opportunity to wish you a happy new year and courage for the time to come. I thank you for continuing to hold the fort in these difficult times.

Regards,
