## **Guy Cormier**

Former president and strategic  
advisor at Desjardins, Pomerleau  
board member

### **Biography:**

From 2016 to 2025 Guy Cormier served as President and CEO of Desjardins Group, the largest cooperative financial group in North America. With over 30 years of experience within the organization, he held several leadership positions before taking on the presidency. Under his leadership, Desjardins experienced significant growth, doubling its assets while strengthening its commitment to its members, clients, and communities.

Throughout his career, Guy Cormier distinguished himself through a commitment to major societal issues. He made youth, entrepreneurship, regional development, shared prosperity, and sustainable development his priorities. He notably started the Desjardins Youth Advisory Committee and several other initiatives aimed at supporting the next generation of leaders and tomorrow's entrepreneurs.

He now sits on the boards of directors of Pomerleau, HEC Montréal, PSP, and the McGill University Health Centre (MUHC) Foundation. He also regularly makes media appearances. During his career, he received several distinctions, including the title of *Chevalier de la Légion d'honneur de la République française* and an honorary doctorate from Concordia University.
